

AFTER-SCHOOL PROGRAMS 2009-10

*1ST SEMESTER START DATE: WEEK OF SEPTEMBER 1ST
1ST SEMESTER END DATE: WEEK OF DECEMBER 14TH*

** The number of weeks for each activity is listed and may vary depending on which day of the week the activity is held. (due to holidays and other school closings)*

REGISTRATION DEADLINE FOR 1ST SEMESTER: Friday, August 28th
All registration forms must be accompanied by payment in full.

Here is some information on the after school activities that we are offering:

- **Dance:** Dance Moves is a traveling dance studio that offers energetic and fun classes for children. Dance Moves philosophy promotes self confidence in children while teaching skills and technique to fun and energetic music.
For more information contact: email Jessica Beran at www.dancemovesofcharleston.com
- **Karate:** Sensei David and Sensei Anne Pettus have been instructing children's Karate for many years. Students will learn basic martial arts fundamentals in a safe and nonthreatening environment. Students will not make contact with each other; they will kick a bag held by an instructor. Students will talk about what karate is and what karate is not. Students will demonstrate respect for themselves and others. The class will promote physical fitness and encourage self control. Instructors use positive reinforcement and encourage academic achievement. For more information contact: David Pettus 762-4311 or email at annpettus@bellsouth.net
- **Lego Mindstorms:** "The Robotics after school club is designed for students to have time to explore and invent robotics solutions. Students get to grips with techniques that are used in the real world of science, engineering and design. They design, build and program fully functional models. In addition, they learn to behave as young scientists, carrying out simple investigations, calculating and measuring behaviors, and recording and presenting their results. This unique experience will provide students with an opportunity to continue to improve their science and technology skills after school hours, all the while experiencing that Science and Technology is fun!" For more information contact: Bobby Hemingway at bhemingway@charlestoncollegiate.org
- **Guitar:** Students will learn basics of guitar playing and will work on classic rock songs, with some reading. A small concert will be held at the end of the session. Mike Grimm is the instructor. For more information contact: Music Unlimited at 388-1770.

- **Piano:** Beginner and intermediate level piano in a relaxed contemporary setting of songs and styles. Elizabeth Freeland is the instructor. For more information contact: Music Unlimited at 388-1770.
- **Yoga:** The Karma Kids Yoga program guides children on a developmentally age appropriate yoga journey through stories, art, and songs about nature and their environment. In this curriculum based program, imaginative games using their bodies and breath help to create a peaceful, happy mind. There is a 1 time registration fee of \$25.00 for your child's yoga mat (this is not included in the price for the semester class.) for more information please contact: Amy Kassis at amy@yogamamastudio.com
- **Violin/Viola/Cello:** Mr. Lyle Van Wie attended Juilliard School of Music, and has his Masters from Columbia U. He has taught music for over 19 years, and is currently teaching music full time for Charleston County School District. For CCS he is offering instrumental music classes for beginners and intermediate levels of play. Choose from group or private lessons. For more information contact: Lyle Van Wie at lylevanwie@yahoo.com
- **Art: Clay-** Come join Mrs. Shears for our 1st clay class of the year. You will create masks, mugs, animals and more.
Felting: Come learn to felt. We will make pumpkins, fall leaves, bats, and more.
Glass: Join us in this class to melt glass into colorful pendants and paintings.
 For more information contact: Valerie Shears at vshears@charlestoncollegiate.org
- **Equestrian program:** CCS is excited to be offering for the 1st time an equestrian program with Charleston Area Therapeutic Riding. (CATR) *This program is **not** limited to lower school children.* This program is held off campus and parents are responsible for transportation. For more information contact: Shayla Cataldo at 559-2287 or email at shayla.cataldo@gmail.com

Please contact Tiffany Frank with any questions or concerns.
