

Dear Parents and Friends,

We would like to thank all of you who responded to our recent survey concerning summer Day Care. Based on the results of that survey, we are pleased to announce that we will be offering care for children 3 years and up from 7:30am until 6:00pm, Monday through Friday from June 1 until July 30. This will not include the week of July 6 through 10, since the school will be closed that week. We hope that providing a day-care facility on our campus will meet the needs that many of you expressed to us. Heading our team of caregivers will be Collier Hilton who has been doing such a fine job with CCS's after-school program, C-Club.

It will be necessary to reserve space in day care by Friday of the week before. The rates will be two-tiered:

*Regular day care: \$7.00 per hour

*Pre and after care for campers: \$5.00 per hour

Please be reminded that our camp programs are priced at \$120.00 for each one-week session. If a child attends a morning and afternoon camp in the same week the cost will be \$200.00 for both camps. For many of you, the camp plus after-care option will make the most sense in terms of cost and program. We know that these prices are very competitive with other private school camps in the area and we hope that you will take advantage of the wonderful opportunities that CCS has provided in these arts, athletics, and science camps.

Please contact the school with questions that you may have about any of our programs or our scholarship opportunities. We are looking forward to an exciting summer of fun and creative learning with your children.

Sincerely,

Randy Neale
Director of Summer Programs
